The Visual Arts: Planning Activity

In this activity, you are going to watch a video about a mosaic artist and think about how you can apply that to an activity for school-age children.

Please watch the following video from PBS:

Now, think about how you could use this video to create an activity for school-age children. Please answer the following questions to guide your brainstorming.

1. After playing this video for school-age children, you could engage them in a variety of conversation topics. Please list 3 topics in the space below:
   
   Example: Topic – being an artist

2. After viewing this video, how could you use it to share the idea of long term collaborative projects with school-age children?

3. One theme that can be taken away from this video is the idea of creating something out of nothing. Can you think of any other themes that could be learned here?

4. How could you use this video as a way to introduce an activity on mosaics?
