

Family Interest Inventory

Dear Family,

Your needs and interests are very important to us. We are partners in this program. Please take a few minutes to help us understand your current interests and needs. We will use this information to design family events to meet your needs.

I am interested in learning more about:

- Helping my child get ready for or do well in school.
- Helping myself or my child deal with loss or grief.
- Helping myself or my child deal with extended separation or deployment.
- Helping myself or my child deal with divorce.
- Dealing with alcohol or drugs (for preteens or teens).
- Ways our community or program can help families or teens find work.
- Ways to help my child make friends or be active in the community.
- Healthy eating and obesity prevention.
- Ways to increase physical activity.
- Post-Traumatic Stress Disorder.
- Parenting support groups or resources about parenting.
- Tips for bouncing back from challenges.
- Safe sleep for infants.
- Toilet training.
- Suicide prevention.
- Preventing school violence.
- Budgeting and money.

I am concerned about:

- Bullying in my child's school or program.
- Children or family members with anger issues.
- Recognizing or responding to child abuse or neglect.
- My child's special needs.
- Transitions (within programs and across programs).
- Violence in our community.
