Professionalism: Resources

There are many resources and articles to help you reflect on developing and maintaining professionalism as a preschool teacher. Take some time to read the articles listed in the Apply section of Lesson 4 within the Preschool track Professionalism course. After reading, summarize the information shared in the space below and share with your trainer, coach, or supervisor.

1. “Take Charge of Your Personal and Professional Development”

2. “E-Professionalism for Early Care and Education Providers”
