Professionalism: Resources

There are many resources and articles to help you reflect on developing and maintaining professionalism as a school-age staff member. Take some time to read the articles listed in the Apply section of Lesson 4 within the School-age track Professionalism course. After reading, summarize the information shared in the space below and share with your trainer, coach, or supervisor.

1. “Know Thyself: Developing Your Inner Leader”

2. “National After School Association Core Knowledge and Competencies Self-Assessment Tool”
