Professionalism: Ongoing Professional Growth

For this activity, go to the link http://naaweb.org/professional-development and choose an article to read that applies to your program. Think about how you can use the information for your own professional growth as a school-age staff member. In the space below share the title of the article and a very brief summary. Next, share three goals that will help you become a more effective school-age staff member.

Article Title:

Brief summary:

My personal goals:

1:

2:
