Perspectives on Leadership

What are some values or opinions you hold about leadership in the school-age program? Read the article provided in the Apply section of Lesson 1 within the School-age track Program Management course.

1. How are mentoring and learning encouraged in your program?

2. Are there times in your program where you follow rather than lead? Why or Why not?

3. How do you go about getting others (children, colleagues) to follow your leadership? Give examples.
