Choose or Lose

Read about the following materials. Then decide whether you would choose the item for your program or lose it. If you choose the item, describe how you would use it safely. If you lose the item, explain why it is unsafe. Because family child care settings are often mix-aged, your answers may vary depending on the ages and developmental skills of the children currently enrolled.

Write Choose or Lose? (If lose, explain why it is unsafe)

Dart board with plastic darts

Explanation:

Pencils

Explanation:

A donated computer

Explanation:

A portable music player with speakers.

Explanation:
